

Navigating Boardroom Challenges in 2010

Tuesday, February 9, 2010

About this program

After a tumultuous 2009, what can directors expect in the new year? Join us for a discussion of recurring and emerging issues that are influencing director-level decision making.

Please join **James Kristie**, editor and associate publisher at *Directors & Boards*, and Debevoise partners **Paul R. Berger**, **W. Neil Eggleston**, **John B. Missing**, **Jeffrey J. Rosen**, **Colby A. Smith** and **Jonathan R. Tuttle** for a roundtable discussion.

If you have a particular boardroom issue you would like to discuss, please send an e-mail describing the scenario, and we will try to incorporate it into this session. Join us for a free flow of ideas and practical strategies for today's directors and boards.
